Goal: Increasing College Readiness

Disaggregation	High School Graduates	Enroll in Postsecondary	Complete Postsecondary
Full cohort (graphic above)	81%	72%	34%
Free/Reduced Price Lunch	73%	63%	19%
Students of Color	73%	66%	21%
Multilingual Learners	71%	49%	7%
Students with IEPs	66%	44%	9%

Advancing Equity: Improving Outcomes For Diverse Groups (2019-20)

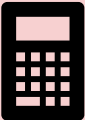

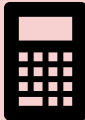

Readiness Project: Covid 19 Expansion

RIDE partnered with Carnegie WestEd, RIPL, and RIC to significantly expand the Readiness Project courses.

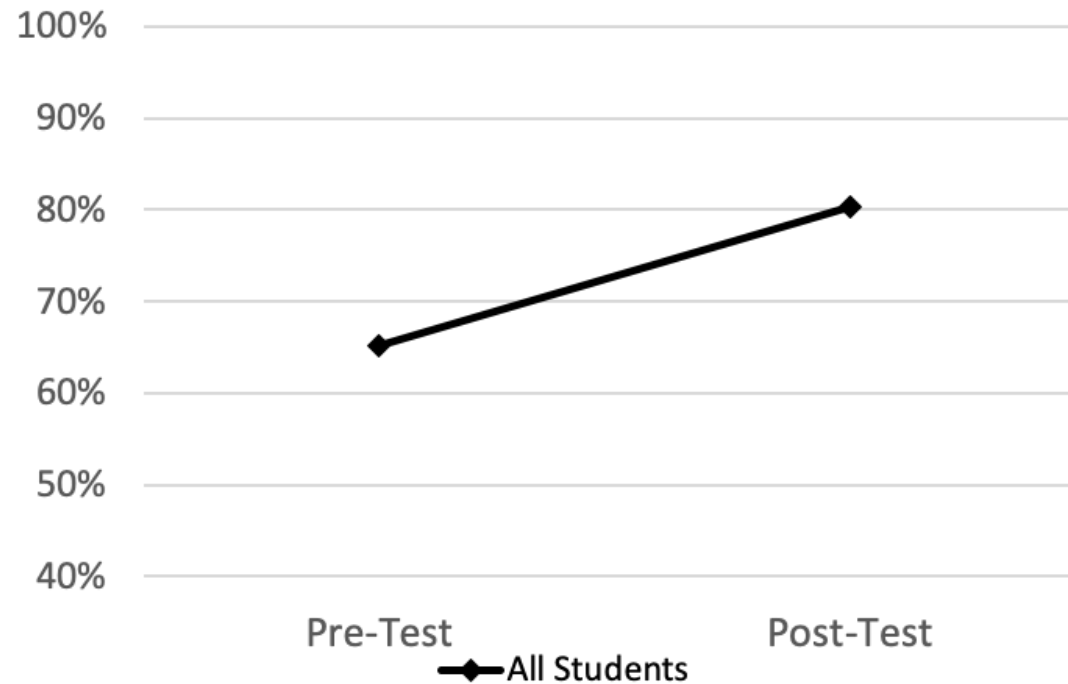

- Added **three new courses** to the previous 12th grade math course: 9th grade math, 9th grade ELA, and 12th grade ELA courses
- Opened up enrollment to **any public school student in the state.**
- Providing students with a **stipend** (\$750 for rising seniors, \$250 for rising freshmen), so that learning can be their summer jobs

Courses offered:

9 th Grade ELA (<i>new</i>) 	12 th Grade ELA (<i>new</i>) 
9 th Grade Math (<i>new</i>) 	12 th Grade Math 

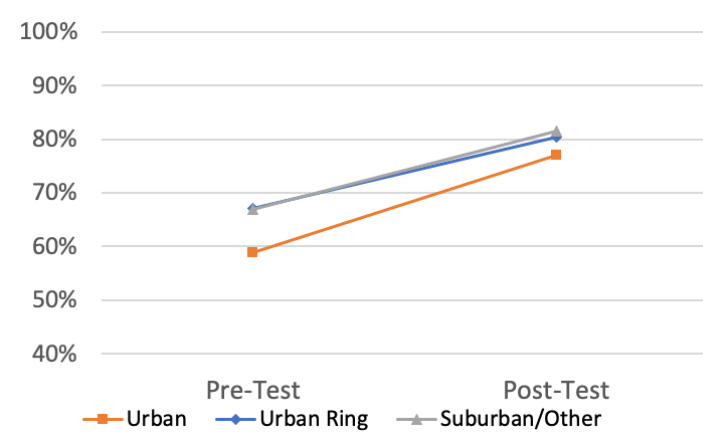

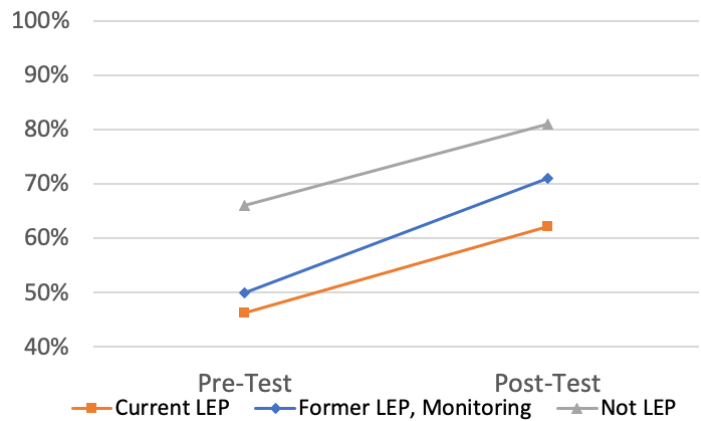

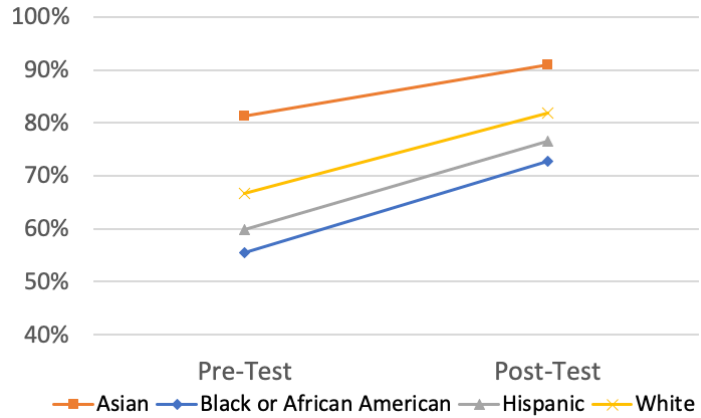

Impacts

- Students in the high school math class took a pre- and post-assessment.
 - Overall, students that took both the pre- and post-test increased their score by an average of 15 percentage points**

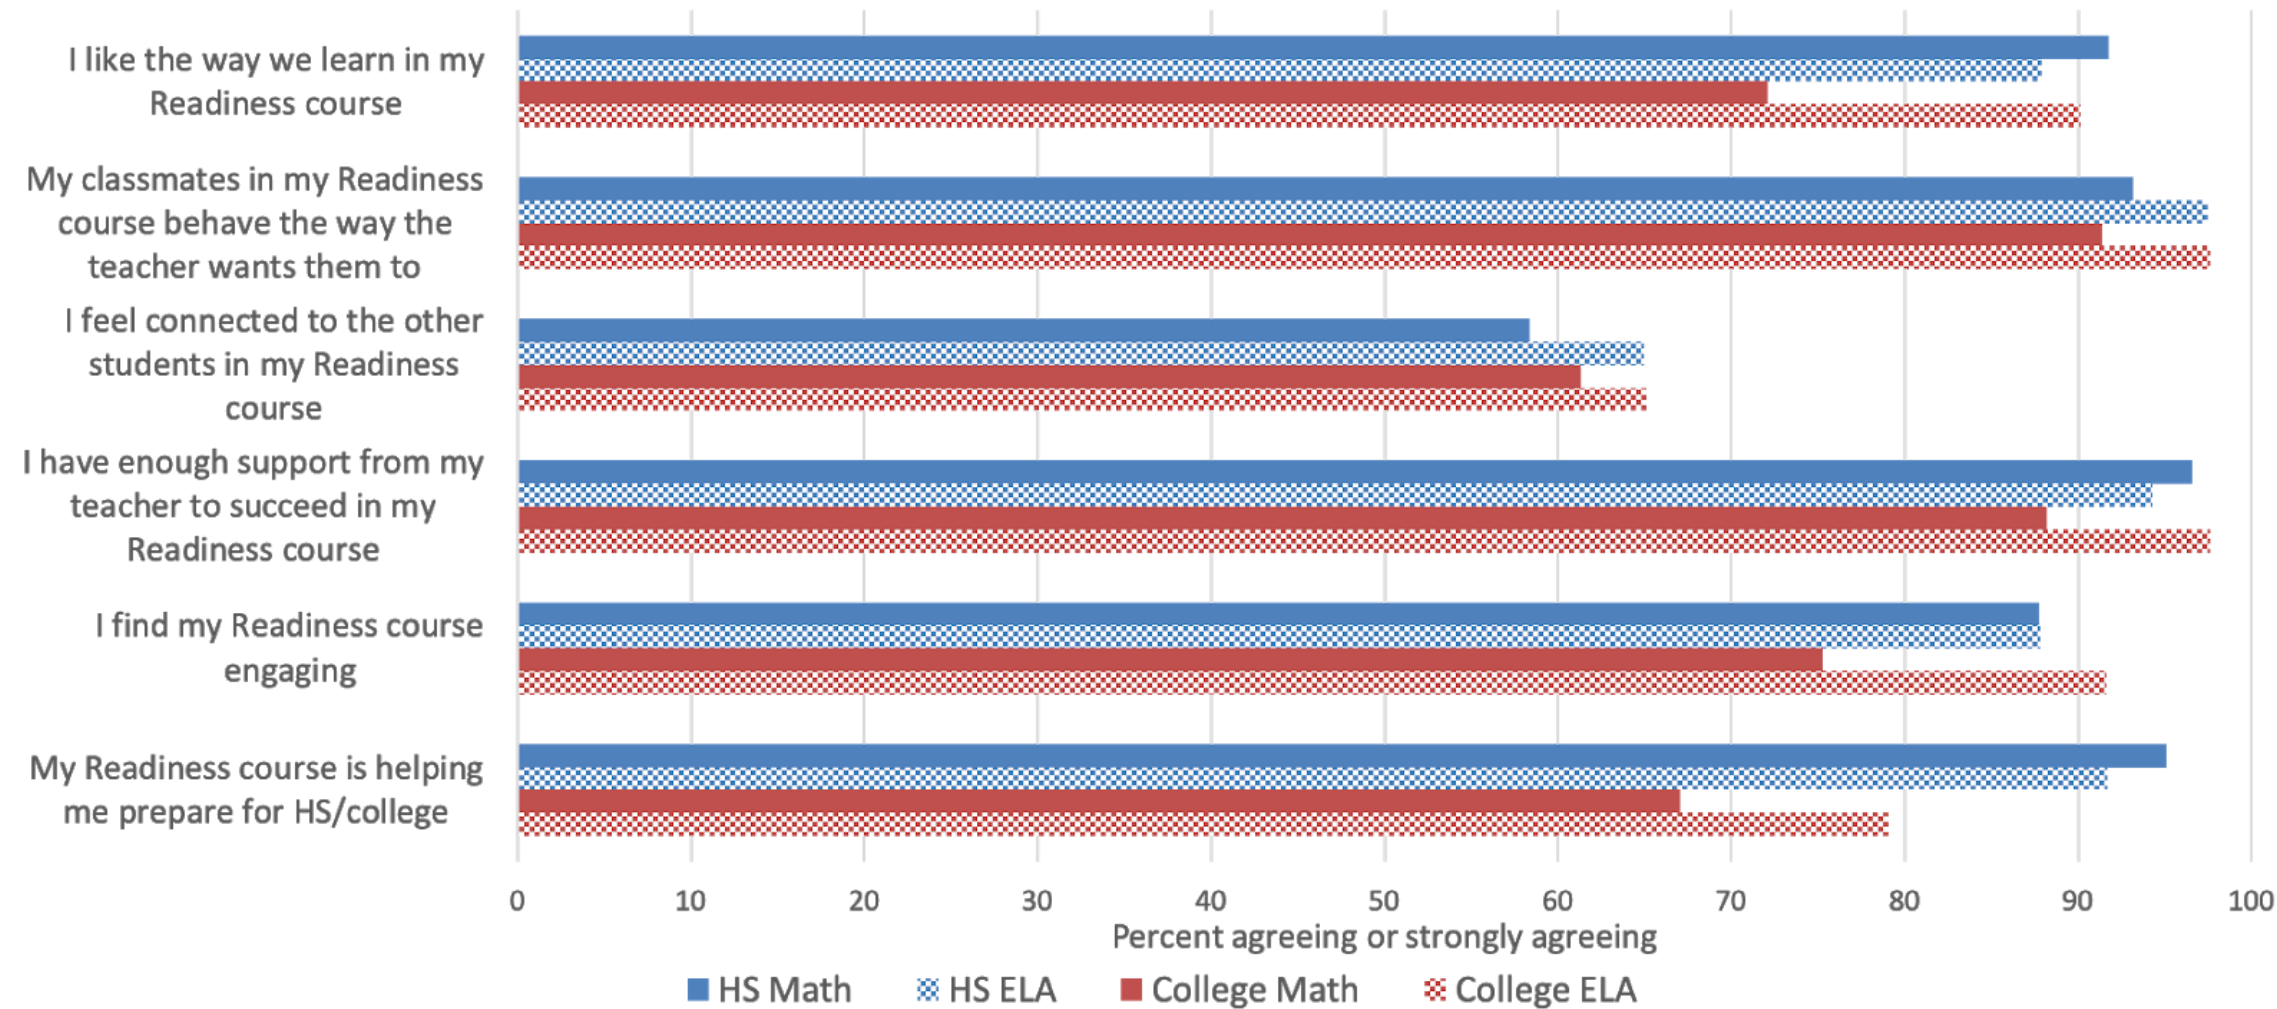

Impacts

All subgroups of students improved their algebra score, on average.
